

January 31, 2025

Dear Dr. Jayakar Thomas
President of the Indian Society of Pediatric Dermatology

Greetings from the Regional Committee of the International Society of Pediatric Dermatology (ISPD).

Starting this new year 2025, we would like to wish you an excellent beginning with great projects.

The Regional Committee's mission is to link the ISPD and Societies or Associations of Pediatric Dermatology or Dermatology worldwide.

We would like to **invite your Society** to send information about your scientific meetings that may be of interest to our Pediatric dermatology community. The information will be published on the ISPD website, on the Upcoming Events section.

If interested, send by email a summary along with a flyer to our Administrator info@ispedderm.com and a copy to Dr Carola Duran-Mc Kinster, Chair of the Regional Committee, caroladmc53@gmail.com. Your submission will reach the ISPD members around the world. You can visit our website www.ispedderm.com for more information about ISPD history, ISPD webinars, memberships, and other learning opportunities in www.ispedderm.com.

The 15th World Congress of Pediatric Dermatology in Buenos Aires, Argentina, on April 8-11, 2025 is rapidly approaching.

We encourage you to invite your colleagues to attend this important event. If not already a member, invite them to join the ISPD. Membership is free and grants discounted registration to the 15th World Congress of Pediatric Dermatology.

Thank you again for your commitment to the ISPD.

We look forward to hearing from you and having you join us in our quest.

Sincerely,

Carola Duran-Mc Kinster. MD. Mexico
Regional Committee Chair

Chikodili Olomukoro. MD. Nigeria
Regional Committee Co-Chair
