Dear Colleagues

It gives us immense pleasure to invite you to the **26th Annual Conference of Indian Society for Pediatric Dermatology (ISPD)** which is scheduled to be held on the **7th, 8th & 9th of November, 2025** at Guwahati, Assam.

The conference known for its rich scientific content ever since its inception will be further enhanced by pre-conference workshops, quiz, sessions on procedural dermatology and therapeutic updates, all enhancing the rich academic legacy of the forum. The organizing committee will leave no stone unturned in ensuring that the delegates have a comfortable stay while enjoying the academic sessions as well as the culinary delights that this region has to offer.

Guwahati, called the 'Gateway to Northeast India' is a vibrant city located on the banks of the River Brahmaputra. It is the largest city of the region and is a major center for trade, industry, and education, with a mix of modern development and traditional charm. It is home to the Kamakhya Temple, situated on the Nilachal Hills, which is a famous pilgrimage site attracting many visitors every year from around the world. Besides being a cultural and commercial hub, it also serves as a transportation hub linking the other states of the region to the rest of India.
